

## CK3W-AX1414P

CK3W 4 Axis Interface Unit, DA output (Filtered PWM), Pulse + direction or phase difference, Pulse encoder / Serial encoder, PNP Output type

# Specifications

Type of module	Axis interface
Amplifier interface	DA output (Filtered PWM)
Encoder interface	Digital quadrature / Serial
Number of encoder input channels	4
Number of pulse output channels	4
Digital output type	PNP
Height	90 mm
Width	130 mm
Depth	80 mm
Weight	0 g
